### *HEALTH & SAFETY POLICY*

We are committed to provide a safe and healthy working environment at our premises to prevent accident and health hazards arising out of the course of work by minimizing the causes inherent to the work environment.

We shall –

1. Comply with all relevant and applicable statutory provisions pertaining to Health and Safety of Employees, with extra focus on the mental wellbeing of our employees.
2. Take all measures to prevent accidents and occupational hazards.
3. Provide necessary information, training and awareness to all employees and contractors to carry out their task in a safe and responsive manner.
4. Provide and ensure regular use of personal protective equipment.
5. Conduct periodic audits and risk analysis for hazardous operations.
